- Last skater across the line on each lap will be eliminated from the race. Lapped skaters will also be pulled from course.
- Laps will continue until 3 skaters remain which will then race a single, final lap for placement.
- First wheel on the ground across the line will determine final placements.
- Maximum of 30 minutes for each race. Race officials may eliminate more than one skater per lap, depending on number of skaters in each race to keep each race within the time limit.
- Number of skaters eliminated will be determined before the start of each race.
- Races may be combined at Race Directors discretion depending on registration.
